

WAMA Inspection Authorization Refresher Course

As the holder of an Inspection Authorization (IA) or Aviation Maintenance Technician (AMT) certificate, recurrent training is critical to ensuring safe aircraft operations. Don't miss this annual event featuring eight hours of training. This event additionally qualifies for AMT Award credit. All IAs and AMTs are encouraged to attend. Click on the link below to see all the details including topics. This seminar is conducted in conjunction with The Westchester Aviation Maintenance Association (WAMA) and the Farmingdale FSDO for those IA holders intending to renew their authorization.

Directions: Please see Map Link for directions.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
